

We invite you to be a judge on our

2022 YEA! Investor Panel

We have grown and formed Female Strong to provide even more confidence building, opportunities to middle and high school girls to help propel them to be our future leaders. Our flagship program, the Young Entrepreneurs Academy - YEA! Chicago empowers young girls to take control of their futures in a bold and powerful way, transforming students into CEOs of their own real businesses!

With YEA! Chicago, girls learn how to turn their passions, skills, and talents into a real business or social movement. **Students come up with a big idea, pitch that idea for real funding, and actually launch a fully formed, legally registered business.** You will be an important part of helping these local students launch their own enterprises and become impassioned local leaders!

The YEA! Investor Panel judges are the who's-who in the local business community. The Investor Panel has a significant impact on the students' ability to launch and run their enterprises and social movements. In addition your contribution helps to support our growth. **In 2019 we served 14 girls, today we are serving 150 girls and plan to hit 200 by 2021. We are not stopping there and need your help.**

If you are unable to participate this year as a "Shark" on our Investor Panel, there are other ways for you to provide your financial or volunteer support. We are looking for sponsors for our upcoming workshop series "Excellence From The Inside Out," sponsors for the CEO roundtable and many other opportunities for your support. If you are interested in more information on ways to get involved, please contact our CEO Jody LaVoie at jlavoie@femalestrong.org. Thank you for supporting this amazing program in any way possible - it is greatly appreciated and Jody will follow up with you soon!
